PRESS RELEASE

FOR IMMEDIATE RELEASE

Axis Technical Group, Inc. named 12th Fastest Growing Private Company in Orange County

IRVINE – September 25, 2007 – Axis Technical Group Inc. ranked 12th of the Orange County Business Journal's 2007 Top 100 Fastest Growing Private Companies in Orange County, CA. The top 100 companies were announced at an award ceremony and will be published in the October 1, 2007 Orange County Business Journal. Privately held companies were ranked by percentage revenue growth from June 2005 to June 2007. During that time, Axis Technical Group enjoyed 287% revenue growth.

"We appreciate and value this honor and it is a tribute to the dedication and hard work of our entire team," said Michael Valdes, Axis Technical Group President. "This is a stepping stone to our future growth and expansion and was made possible by the most important part of our business, our customers." The list comprised companies from San Clemente to Brea and represented a wide variety of industries from technology to apparel to food manufactures and event planning companies.

Axis Technical Group, Inc. is a leading technology Staffing and Consulting firm based in Anaheim, California with offices in San Diego, California, Monterrey, Mexico and Pune, India. Axis' President and CEO, Michael Valdes has built the company's foundation upon the core values of Quality, Consistency, Honesty, Loyalty, and Excellence through hard work. The company's focus on unparalleled customer service allows Axis Technical to provide every client with the cost-effective resources and solutions necessary to help them achieve their business goals.
