FOR IMMEDIATE RELEASE

Axis Technical Group, Inc. Announces Promotion

ANAHEIM, CA – (January 26, 2009) Axis Technical Group, a leading provider of Information Technology services, announced today the promotion of Samantha Stirewalt to HR Manager. Samantha will be responsible for administering the day-to-day policies and objectives for the company's employees and resources. Samantha will also oversee internal operations in support of Axis Technical's local and offshore Professional Services teams.

Samantha first joined Axis Technical Group in 2004 and has been a core member of its team ever since. Samantha began her career in a Recruiting role and assumed roles in Account Management, Project Management and HR in her career ascent. She has successfully implemented key internal project reporting functions streamlining difficult processes, while becoming a much-relied on member of every team in the organization. "Samantha continues to be the go-to person to get things done whenever and wherever our teams need help," explains Russell Wolf, Vice President. Michael Valdes, Axis Technical President, first hired Samantha 5 years ago and today describes her being "as versatile as she is smart, with a passion and loyalty to her team that makes her indispensable."

Axis Technical Group, Inc. is a premiere Information Technology Services firm headquartered in Anaheim, California with offices in San Diego, California, and Monterrey, Mexico, as well as operations in Pune and Satara, India. Axis Technical Group's President and CEO, Michael Valdes has built the company's foundation upon core values of Quality, Consistency, Honesty, Loyalty, and Excellence through hard work. The company's focus on unparalleled customer service allows Axis Technical to provide every client with the cost-effective resources and solutions necessary to help them achieve their business goals. In 2007 Axis was named 46th Fastest Growing Private Company in Orange County, and 818th Fastest Growing Private IT Company in the United States.
